

Dietician Consultations:

Midnight Sun Oncology is proud to offer complimentary dietary consults with a registered dietician:

Becky Moore R.D., C.D.E., L.D., has over 32 years experience as a dietician and truly understands the special needs of oncology patients. Becky has graciously volunteered to donate her time and services at NO COST to our patients.

Becky offer guidance in the following:

- Weight Management: Loss or Gain
- Diarrhea / Constipation Management
- Nausea / Vomiting Management
- Medication-Induced Hyperglycemia
- Safe Food-Handling Guidelines
- Dry Mouth / Thick Saliva
- Sore Mouth / Throat
- Nutritional Supplements
- Difficulty Swallowing
- Poor Appetite

Schedule An Appointment:

Appointments to see Becky are available the first Wednesday of every month. Each appointment last 30 minutes. Becky also offers consults to accommodate your busy life. Any employee at Midnight Sun Oncology will be more than happy to schedule your appointment with Becky.
